

Dr. Mark Fritzenschaft
American Principal

Dear JFKS Students,

Congratulations on the end of a successful 2023-2024 school year! As we approach the end of this academic year, I want to take a moment to reflect on our journey together and look forward to the possibilities that lie ahead. Each one of you has shown incredible resilience, dedication, and growth, and I am immensely proud of all that you have accomplished.

This year, we have worked hard to create a safe and inclusive environment where every student feels valued and respected. Our diversity is our strength, and embracing our differences enriches our learning experiences and strengthens our community. Let us continue to foster an atmosphere where everyone can express themselves freely and feel supported by their peers and educators. By practicing empathy, kindness, and understanding, we can build a school environment that celebrates individuality and ensures that everyone feels they belong.

Recently, we have seen a rise in divisive ideologies that threaten the fabric of our society. As young leaders and informed citizens, it is our responsibility to stand against hate and intolerance. We must combat these forces with education, critical thinking, and solidarity. By staying informed, engaging in respectful dialogue, and standing up for what is right, we can challenge prejudice and promote a culture of acceptance and equality.

Let us carry these values with us as we move forward, knowing that our actions, no matter how small, can make a significant impact. Together, we can create a brighter future where everyone feels safe, included, and empowered to reach their full potential.

Thank you for your hard work, your courage, and your commitment to making our school a better place. Have a wonderful and restful break, and I look forward to seeing all the amazing things you will achieve in the coming year.

Onward,

Dr. Mark Fritzenschaft

American High School Principal
